

War of 1812
200th Anniversary Commemoration
Essex County Branch OGS Project
2012-2015

The Essex County Branch of the Ontario Genealogical Society (OGS) would like to commemorate the anniversary of the War of 1812 by collecting and preserving family histories where proof can be shown that a family member lived in the old Western District which included Essex, Kent and Lambton Counties during the War of 1812.

We will accept anyone who can prove descent from one of:

- A British Soldier based in the Western District during the War of 1812.
- A member of a Canadian Militia Unit who served in the area.
- A First Nations person who saw action on the British side during the war.
- A person who lived in the Western District (Essex, Kent or Lambton Counties).

To qualify, each applicant must be able to prove **direct descent** from an ancestor who meets one of the above categories. The proof is given in the form of **copies** of official records for **each** generation, including proof for the applicant. For each generation in the descent the marriage of the parents and the birth of the child must be proven. Acceptable sources include, among others, vital statistics records, church registers (baptismal records can be accepted in place of birth information), and wills. In cases where clear proof is not available, sound genealogical practice may permit the acceptance of several items, each giving partial proof. A family bible alone is not acceptable without a copy of the first page of the bible stating an earlier age of printing than the records recorded in the bible.

If your proof consists of published material, you must provide full citations, including page numbers and photocopies of the pages (including title pages). Published family histories will not be accepted as proof. Other publications will be acceptable upon the discretion of the Essex County Branch OGS.

Each successful applicant will receive a certificate from the Essex County Branch OGS and will be invited to commemoration activities in the area during the years 2012 to 2015. The events planned so far are Amherstburg, 3, 4, and 5 August 2012; Fairfield Museum, Chatham-Kent October 2013 and July 1, 2015 at Fort Malden National Historic Site, Amherstburg. There will be a recognition ceremony at each event.

The successful applications will be placed on the Essex County Branch OGS Members Only web site **excluding** any information involving people born in the last 100 years. If the application is accepted by the Essex County Branch OGS, the same documentation will be acceptable for the War of 1812 Society through the Provincial Office of the Ontario Genealogical Society if the ancestor fits the criteria for the War of 1812 Society. The applicant must pay the separate fee for that group when applying.

The application form is in four sections. The first page contains information about you (or the person to whom the certificate will be issued). If this is a gift, the first page should provide information on the person receiving the gift. Attach a note giving your contact information. Then follows a number of pages which links you to your parents and so on back through the generations until you reach your War of 1812 ancestor. That person's information is on the third section. The fourth section is a listing of all your documentation for the proofs between the generations.

The application fee is \$25.00. If you wish to submit to the OGS for their War of 1812 Society please check their web site for their fees and criteria.

If you wish to apply for multiple certificates, each application costs \$25.00. This would be the case if you find that you have more than one ancestor who qualifies as a person in our area during the War of 1812 or for other living members of the family who wish to have a certificate. One application is required for every person.

Please mail the application to: War of 1812, Essex County Branch OGS, P. O. Box 2, Station A, Windsor, ON N9A 4H0. Or you can email the application with your proofs to: essex@ogs.on.ca.
